Alloga – a company of the Galenica Group 24
Contact 26
Welcome to Alloga.

Dear Reader

For more than 60 years, Alloga has been making an important contribution to the high-quality, prompt, nationwide supply of pharmaceutical products throughout Switzerland. As the market leader in pharmaceutical logistics, we offer integrated services tailored to the needs of the pharmaceutical industry.

Logistics services in the healthcare market are our passion. We are committed to solution-oriented targets and ensure these are implemented in a competent and professional way.

Alloga Ltd. is a company of the Galenica group, is headquartered in Burgdorf and specialised in pharmaceutical logistics services. We are able to draw on a great deal of knowledge and useful synergies within our corporate structure.

As one of the largest employers in the Burgdorf region, Alloga offers some 200 attractive jobs. Alloga is also committed to sustainable energy generation. In cooperation with "Solarstadt" Burgdorf, one of the largest photovoltaic systems in the region has been installed on the roof of our warehouse.

We invite you to get an overview of our company in the following pages.

Responsibility towards our employees.

Motivated employees are the key to a company’s success. It is important to Alloga to challenge and encourage its employees. Synergies within the Galenica Group can be utilised for personnel development.

The Galenica Group attaches importance to the following cornerstones of personnel development:
- Culture and values
- Training and development
- Health and safety
- Employee benefit plans
- Social responsibility

The opinion of our employees is important to us:
- Regular employee survey
- Formulation and implementation of improvement measures based on the findings of the employee survey
- Staff committee at each company
- Works Committee of the Galenica Group
- Exchange Committee of the Galenica Group

The five key elements of Galenica

We participate with passion and act as entrepreneurs.

We built trust with credibility and competence.

We show respect and know, that together, we are stronger.

Express orders / Express deliveries

Returns – processing according to high standards.

On request, Alloga can take over returns management and complaints handling in full – so you can focus on your core business.

SOP standard
Handling of returns and complaints is carried out in accordance with internal standard operating procedures (SOP) and on behalf of the pharma partner.

Returns handling
- Ensuring returned goods are disposed of appropriately
- Handling of returns and return deliveries in the event of incorrect delivery, dispatched quantity not matching order quantity, complaints or cancellations of orders
- Creation of credit notes on behalf of pharma partners
Financial services – the advantages of full service from Alloga.

As a full-service partner of Alloga, you can benefit from our comprehensive range of financial and insurance services.

**Finance**
- Order to cash / debtor management
- Invoicing via e-invoicing or by post
- Collection
- Payment reminders and prosecutions
- Credit checks

**Insurance**
- Insurance solutions
- Goods storage
- Goods transport
- Del credere risk

**Miscellaneous**
- Settlement of stamp duty (Canton of Ticino)
IT integration – extensive knowledge of standard and special solutions.

Thanks to our extensive IT knowledge, we can provide you with competent advice and implement both standard solutions and specific partner requests.

**IT services**
- Interfaces according to partner requirements
- Process integration in the ERP system
- Dynamic integration of optimisations into existing processes
- GxP-compliant and ISO 9001:2015-certified
- Ensuring a seamless flow of materials and values using a CSV-validated ERP system
- Ensuring the most up-to-date data reporting.

Reporting – so you have an overview at all times.

Professional reporting can determine the market success of products and companies. Alloga offers everything you need for quick decisions.

**Automatic updates**
- Inventory data
- Master data

- Incoming goods and incoming goods inspection

“We bundle competences and provide them to the pharma market.”
Alloga – a company of the Galenica Group.

The business model of Galenica with its three Business sectors – Services, Retail and Products & Brands – constitutes a unique basis for shaping the Swiss healthcare market of the future with innovation and agility.

**Services**
Alloga is affiliated to the Business sector Services. As a leading partner of all participants in the Swiss healthcare market, Services provides support with integrated logistics and IT solutions from a single source. Through its unique know-how, Services consolidates its leading market position and cost leadership thanks to high-quality services and innovative offerings.

**Products & Brands: Own and partner consumer brands and products**
Products & Brands is a significant growth driver for Galenica. Products & Brands develops and launches own and partner consumer brands and products for the entire specialist retail trade in Switzerland.

Further information about the Business sectors can be obtained at www.galenica.com.

**Retail: Largest pharmacy network with the best offerings**
Retail offers a unique range of products and services in Switzerland’s largest network of locally established pharmacies, as well as online. Retail systematically utilises potential synergies and orients both systems and processes consistently towards quality and efficiency. Doing so creates added value for the company, customers and partners.

The first choice for health, beauty and wellbeing.
